Notre Dame fire

A fire broke out at Notre Dame Cathedral in central Paris last night, a spokesman from the fire department said. Smoke could be seen billowing out from

the top of the medieval cathedral, as flames lept out besides its two bell towers. A major operation was under way, the fire department added.

A GIANT IN THE BAY OF PALMA

● The U.S. Navy aircraft carrier, *Abraham Lincoln*, moored up in the Bay of Palma yesterday.

● She is one of the world's most powerful warships and the figures speak for themselves.

● 100 aircraft including the F18 fighter jets .

● A crew of 5,000 people.

● A displacement of 104,00 tons.

● She is nuclear powered so she never needs to be refilled and she is too big to

moor in the actual port of Palma.

● She will remain in Palma until the weekend allowing her crew to enjoy Easter leave before they continue with their long deployment.
