Spain jails Catalan separatist leaders

Barcelona.—Spain's Supreme Court yesterday sentenced nine Catalan separatist leaders to between nine and 13 years in prison for sedition over their role in a failed independence bid, triggering protests across the region.

Three other defendants, who were also on trial for their involvement in the October 2017 referendum held in spite of a ban and a short-lived independence declaration, were found guilty only of disobedience. **Page 2-3**
