Spanish grandma, 99, gets back to computer games after beating COVID: SEE FULL REPORT INSIDE

LAST ORDERS FOR BALEARIC PRESIDENT?

● The Balearic President, Francina Armengol, was under pressure to resign last night after it emerged that she had been in a Palma bar until the early hours breaking coronavirus protocol measures. She claimed that she was forced to stay because one of her party was unwell. See Page Three Inside.

The bar where the Balearic President was allegedly "drinking after hours."

Now you can longer sing in church as part of new restrictions: See Page Four
