# 707 NEW CASES IN 24 HOURS: GOVERNMENT ORDERS MASS CLOSURE

- On Monday, the Balearic government will approve an order closing bars, restaurants, gyms and large stores in Majorca for a period of fifteen days. In the case of large stores, all of them over 700 square metres will have to close. **Only those selling food, hygiene and health care products** will be able to open – supermarkets, therefore.
- The Balearic health service has entered into an agreement with private clinics as the number of **cases of the coronavirus continues to rise in the island.**
- In the last **24 hours 707 new cases have been registered**, a record high, according to the local ministry for health. See Inside.
