# King of Spain's sister separates from husband

● Spanish King Felipe VI's sister Princess Cristina and her husband Inaki Urdangarin, who was jailed in 2018 for tax fraud and embezzlement, have separated after he was caught with another woman by a gossip magazine. "By mutual agreement, we have decided to cease our marital relationship. Our commitment to our children remains intact. Given that this is a private decision, we ask for the utmost respect from all those around us," the two said yesterday in a statement. See Inside.
