Mallorca's crowning glory

Palma.—Filming is still taking place on Season 5 but already work has started on Season 6 of the hit Netflix series *The Crown* and Mallorca will once again play a starring role.

Sizeable parts of Season 5 were filmed on the island at venues such as the Club de Mar yacht club, San Telmo and Soller. This new series is expected to be screened later this year with Season 6, believed to be

the final instalment, expected to be released in November 2023. The producers were so pleased with filming on the island for Season 5 they have decided to return once again, possibly in the autumn of this year. Once again Palma Pictures, the local film production company, will be playing a leading role. Netflix has been filming a number of its productions on the island over recent years.

Filming of Season 5 of *The Crown* took place at the Club de Mar yacht club.

Conor McGregor in Mallorca

Palma.—Irish mixed martial arts fighter Conor McGregor, who *Forbes* magazine ranked as the world's highest paid athlete in 2021, is holidaying in the Balearics. Having spent a few days in Ibiza, on Sunday afternoon and on Monday, he was in Port Adriano with his family and also his large security team. On the beach, the security installed five sunlounger and parasol sets for the fighter and his family.
